

Beginner Liquid Acrylic Class

An illustration of a yellow paint palette with several wells of color: green, purple, orange, red, yellow, and blue. A blue brush is shown dipping into the orange well.

The Delmarva Discovery Center is pleased to offer a four session Beginner Liquid Acrylic Class instructed by local artist, Jenny Somers. This course will use paper as the painting surface while focusing on techniques similar to watercolor. The process will reveal how to transfer sketches to the watercolor panel, basic color mixing, and include an introduction on preparation and usage of paint while using the airbrush as a tool. Practice between classes is encouraged. A supply list will be provided upon registration.

Class fee: \$60 for four week session

Morning class: (Thursday) April 1, (Mondays) April 12, 19, & 26 – 9am to 12pm

Evening class: (Thursday) April 1, (Mondays) April 12, 19, & 26 – 6pm to 9pm

To register for this class, contact the Delmarva Discovery Center:
